

Dear Parents:

This year we have the opportunity to perform with 9,000+ students from 100+ schools around the area in the **Hope of America Student Chorus Showcase.**

This patriotic program will be presented on Tuesday May 7<sup>th</sup>, Wednesday May 8<sup>th</sup>, and Thursday May 9<sup>th</sup> at the BYU Marriott Center.

**Our school will be performing on Tuesday May 7th**

"Hope of America" promotes love of country, music, and good citizenship through a memorable participatory event. It enhances the students' understanding of American heritage, significant national documents, and important rights and responsibilities of citizens.

The chorus wears red, white, blue, or yellow "Hope of America" t-shirts. The students sit in the shape and colors of the American flag, framed by students in yellow. You can go to Youtube to get a glimpse of this fabulous event. Type in *Hope of America live by America's Freedom Festival at Provo*

There is a **\$10.00 fee** for each participating student. This cost helps us provide the following to each student:  
**Practice CD T-Shirt Event Photo Performance DVD**

This participation fee also covers the cost of the Marriott Center, security, sound & lighting, required ushers, police, parking, production crew, etc. that make this a successful event.

**There is no charge for attending the event. Parking is also free.** Final performance detail will be given in April.

Registration and downloading the materials will be done digitally from our Website. Go to <https://hopeofamerica.org> and follow the promptings. If you have any trouble, contact your teacher or [sherry@freedomfestival.org](mailto:sherry@freedomfestival.org) We will help you get registered!
